OK tobacco flavoured cartomisers have been carefully developed to provide smokers with a real cigarette taste.

The product contains a nicotine solution and is to be used only with OK Rechargeable Electronic Cigarettes.

OK Rechargeable Electronic Cigarettes are not suitable for children under the age of 18 or women who are pregnant or are breast feeding.

**18** Cartomisers contain nicotine, imitation tobacco flavouring, propylene glycol and water. Nicotine is an addictive substance.

This product is only for smokers. If you don't smoke, don't start.

 Toxic if swallowed. Very toxic in contact with skin. Keep locked up and out of reach of children. In case of accident or you feel unwell, seek medical advice immediately.

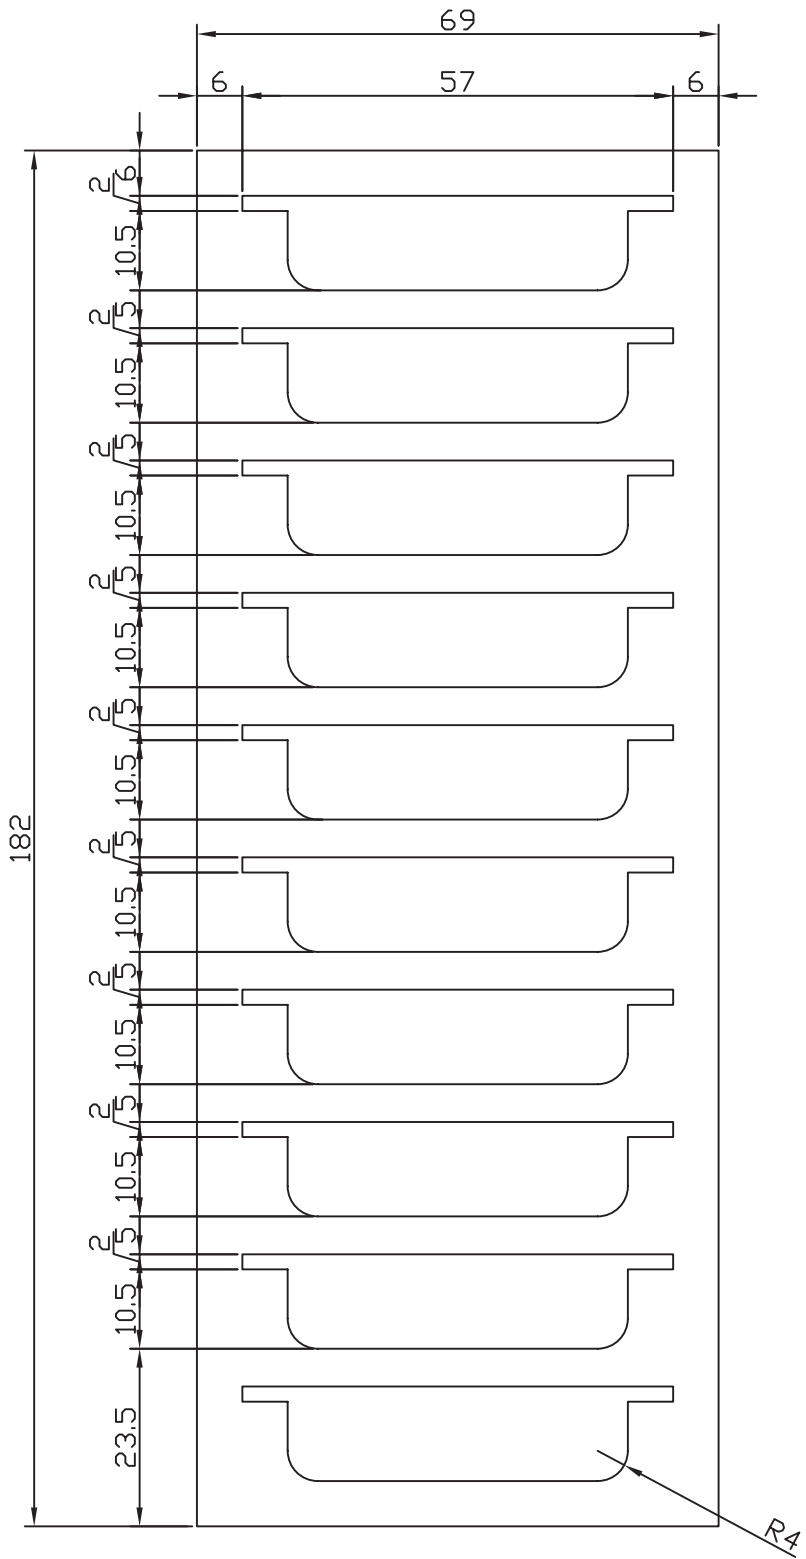

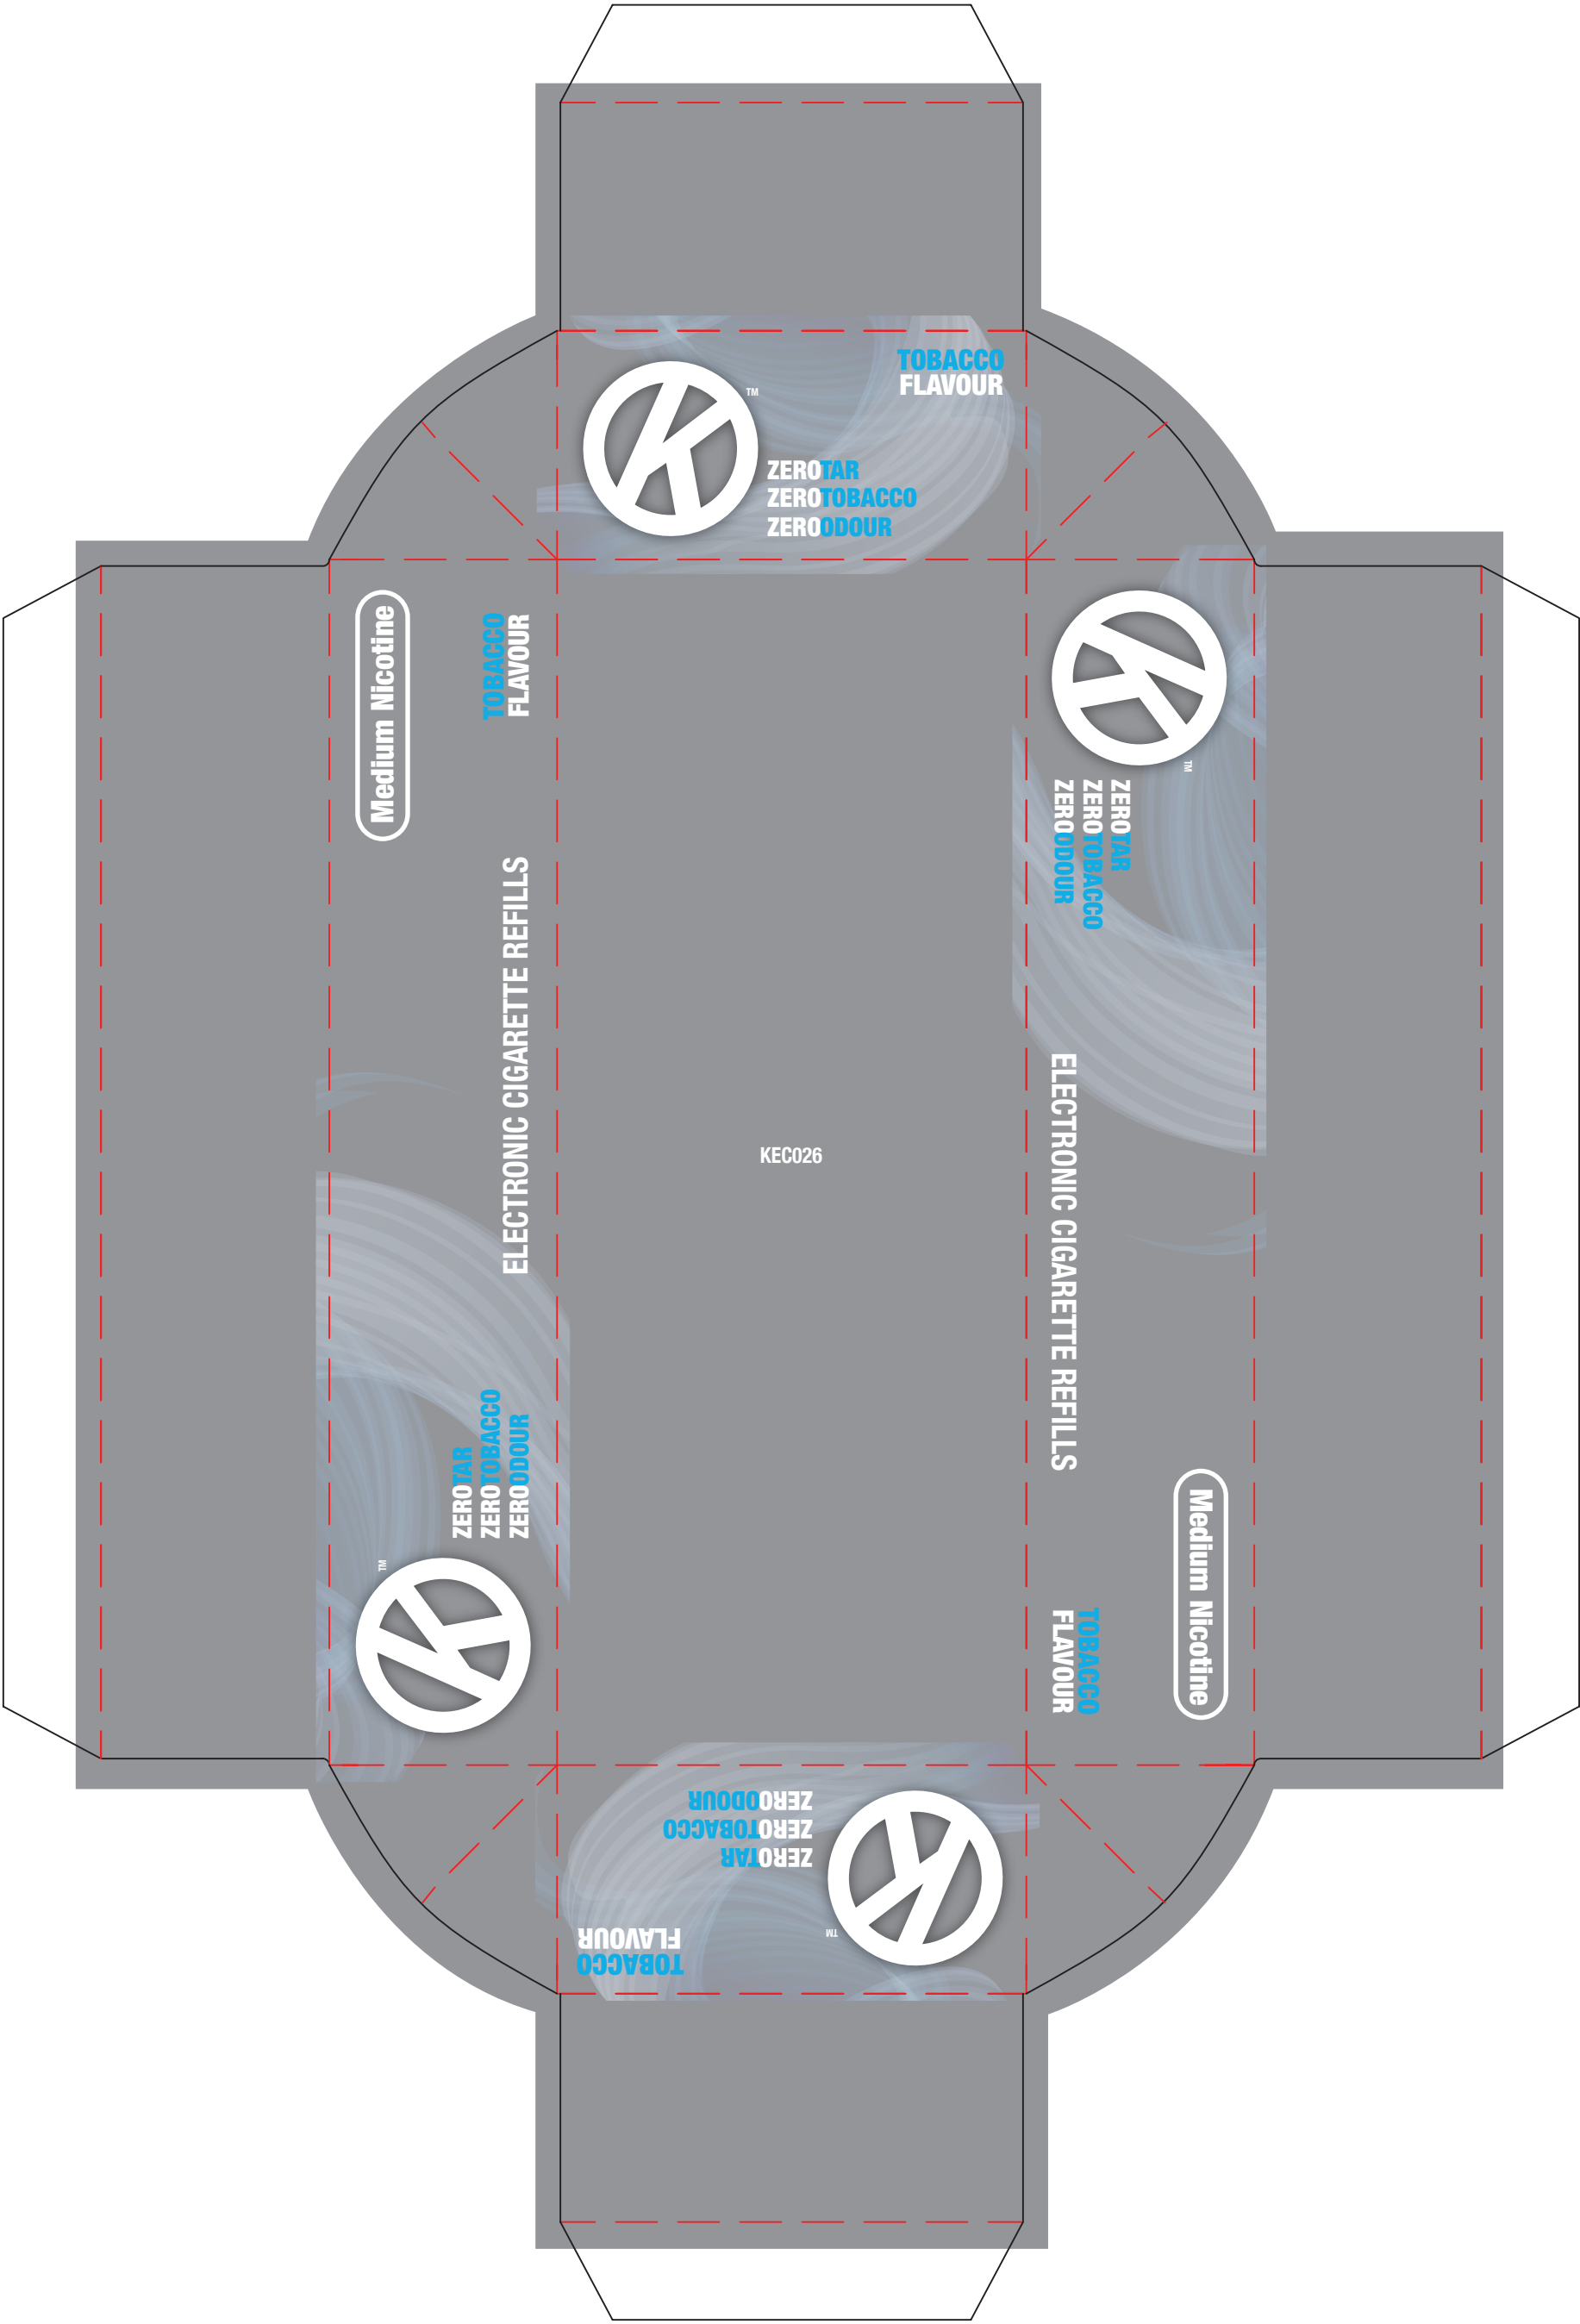

Storage Precautions: Do not store above 25°C.
